

Roger Tripathi

Roger Tripathi is a Passionate and Persistent Global Agri-Business Leader with broad based multinational-multicultural background, worked and lived in most continents, enjoys change management challenges in taking the businesses to the next level.

Roger has worked in most Agri-sectors such as Agro-Forestry, Feed, Seed, AgChem, Fertilizer and now Bio-Agriculture. Roger started his life in R&D, moved to Agronomy/Extension, Marketing, Sales & Business Development and finally leading to managing businesses as profit center.

Innovative, creative, results-driven business leader with 35+ years of distinguished global experience in the agriculture industry since 1981, focused on exceptional results with realistic sense of urgency.

A proactive manager, natural leader, team builder and tactical business planner with ability to manage multiple projects with a 'win-win' outcome for all involved. He is widely recognized in the Industry for securing, building, and keeping long lasting business relationships externally and internally with proven ability to face challenges head on and execute flawlessly.

Roger is Chairman and Founding CEO of PBI & GBAL.
