

BioAg Innovator Award 2023: RULES

PURPOSE OF THE AWARD

This award highlights innovators and their innovations in BioAg, supporting food security and food safety in a sustainable manner. [BioAg World Congress \(BAW Congress\)](#) and [Global BioAg Linkages \(GBL\)](#) envisage inspiring and accelerating the development and adoption of BioAg inputs as part of Integrated Crop Solutions.

ELIGIBILITY

- Submissions are open to all individuals and organizations
- Must be a BioAg product or related technologies such as Precision Ag
- Must be registered for the first time no earlier than January 01, 2022, or to be commercialized by the end of 2023

SUBMISSIONS

- Selected submissions will be promoted in the [BioAg World Digest \(BAW Digest\)](#) and on [Global BioAg Linkages \(GBL\)](#) social media extensively *
- Full paper not exceeding 3500 words, excluding references
- All submissions must be in English
- Email your full paper with the paper submission form ([click here](#)) to **Dhruv** at keyrelations@bioaglinkages.com
- Write "BioAg Innovator Submission" in the Email Subject Line

SELECTION PROCESS

Submissions will be reviewed by our Scientific Committee composed of selected industry leaders and scored on the following selection criteria:

1.	Originality, Creativity & Adaptability	0.250
2.	Functionality & Technical Qualities	0.150
3.	Ease of Use & Adoption	0.150
4.	Game-changer in Farmers' ROI	0.125
5.	Implementation & Performance (Go-to-Market)	0.125
6.	Sustainability: Plant, Profit, People	0.100
7.	Potential for Growth	0.100

Top 8 to 10 selected submissions will be invited to speak in the **4th BAW Congress in Rio de Janeiro, Brazil**, from May 2-5. Next group of successful submissions may be invited to present a poster in a standee format. All invitees in this context would first need to register online as Congress delegates.

- **Presentation:** Innovators will have 10 minutes each to present in the Congress
- **Adjudication:** Real-time rating by the Congress delegates using a mobile app
- **Winner:** Announced and awarded in the Gala Dinner on May 04, 2023

AWARDS

- BioAg Innovator Award with Certificate and Trophy
- Complementary Registration for BAW Congress 2024
- Interview and Product Profile Placement in Global BioAg Linkages (GBL) publications and social media post-event

Submission Deadline: January 31, 2023

(earlier submissions will get priority for publication in [BioAg World Digest \(BAW Digest\)](#))
