8 Differentiators of the BAW Congress

- Organized by BioAg Professionals:** Exclusively planned and managed by passionate BioAg professionals and Sustainable Farming Influencers, not just non-industry event organizers.
- Fully Integrated Sustainability Event:** Showcasing integrated sustainable smart farming: Biofertilizers, Biostimulants, Biopesticides and Precision AgTech, as part of one toolbox together.
- Key Stakeholder Engagement:** Brings together farmers, agronomists, retailers, innovators, policy makers, regulators, business leaders, marketers, investors and the food chain industry.
- Recognizing Sustainable Champions:** Honors key sustainable farming stakeholders by awarding best Global Sustainable Grower, Exceptional Business Leader, Pioneering Innovator and a Poster Presenter.
- Comprehensive Agenda and Program:** Focus workshops, engaging sessions, insightful keynotes, innovations, industry trends, investor, stakeholder and leadership roundtables, fun filled evening networking.
- Balanced Congress & Expo Focus:** Enjoy an expo with focus on match-making and networking, complemented by a comprehensive, in-depth congress that integrates must-win battles, and critical success factors.
- Globally Regional Approach:** An annual rotation across continents, the event keeps global mix and focuses deeply on regional challenges and opportunities from both global and local perspectives.
- Ongoing Think Tank Collaboration:** Ongoing Global Regulatory and Leadership Think Tanks drive actionable dialogue and deliverables for tangible grower solutions.
